

MOON STAGE – CYCLORAMA STAGE

Moon Stage is a 2,200 ft² traditional sound-treated studio with one of Toronto's s largest cycloramas at 70 ft wide with 20ft clear height. Complemented by a 5ft x 5ft lighting grid, dedicated HMU/wardrobe, a large drive-in door and dedicated 400amp 3-phase power. The studio backs onto a private parking lot ready for production.
